

### FASTBALL RGL

PERENNIAL RYEGRASS

- EXCELLENT SEEDLING VIGOR
- RUST RESISTANCE
- GRAY LEAF SPOT RESISTANCE
- IMPROVED WEAR TOLERANCE
- FINE LEAF TEXTURE

### BIG LEAGUE PERFORMER

**Fastball RGL** (*Improved Rust and Gray Leaf Resistance*) is a top-quality perennial ryegrass ideal for all fine turf needs. It's dark green color and fine leaf texture make it an ideal choice for golf applications. **Fastball RGLs** excellent seedling vigor and fast establishment are ideal to crowd out weeds and fill in bare spots. These traits combined with improved wear tolerance make it a great choice for interseeding thinning sports fields. It's resistance to pathogens also make it an ideal choice for overseeding dormant warm-season grasses. **Fastball RGL** leaves the competition swinging.
